Containers

Your Order In Sealed One-Pound
Cans With Colorful Lithographed
Label at 18c Per. Lb. Extra or In 5
Lb. Cans at 8c Per Lb.

Treating

Arasan 2c per lb.

Delsan 3c per lb.

We recommend Delsan (combination insecticide and fungicide)

Hollar & Co., Inc. by test and inspection, have determined seeds sold to be of known inheritance and high vitality. Care and environment does affect type and production, therefore we warrant only to the extent of the purchase price.

CHARLESTON GRAY WATERMELON

We expect to have this popular variety available for spot shipments as soon as contracts are filled. Demand for Colorado Certified continues to increase.

Charleston Gray is resistant to fusarium wilt and anthracnose. Matures in 90 to 95 days, excellent shipper, good quality. Hollar Strain is uniform and true to type.
